The Lebanon Fire District provides address signs to rural homeowners within our fire district. The first address sign is free, and any additional or replacements signs are \$10 each. (Lebanon Fire District reserves the right to examine each request and situation to adjust this policy as needed).

The address sign is a format similar to a vehicle license plate, which is reflective and comes with installation instructions, attachment hardware, and a mounting post if needed.

Please complete this order form and submit it to our administration office at the information above. Once your sign has been completed, you will be contacted to come pick it up with the installation instructions and materials, if you require them.
